The Thirty-Ninth Annual Membership Meeting of the CAMC Federal Credit Union was held on Tuesday, March 22, 2016 in the WVU Auditorium on the Memorial Campus. Alan Shearer, representing the CAMC Federal Credit Union Board of Directors and staff, welcomed everyone as he called the meeting to order at 7:00 p.m.

Mr. Shearer appointed Bob Shiltz as Acting Secretary for this meeting and board member Candis Douglas as Parliamentarian for the meeting. Acting secretary for the meeting announced that there were 79 members and 1 guest present at the meeting constituting the necessary quorum.

Members were asked to review the minutes of the 2015 Annual Meeting presented in the Annual Report. A motion from the floor was made to dispense with the reading of the Official Minutes and to accept them as presented in the 2015 Annual Report. A second was received. Call for vote … motion carried. A motion was also made and seconded to accept the Treasurer’s Report. Call for vote … motion carried.

Ashley Meek thanked attendees for coming to the meeting and then presented the CEO Report. In addition to the printed report on page 12 of the 2015 Annual Report she thanked Credit Union staff, Board of Directors and Supervisory Committee. She explained that the Board of Directors and Supervisory Committee are all volunteers and receive no compensation for the time they spend in training, guiding and ensuring that the Credit Union continues to thrive. She also thanked all the members for allowing the Credit Union to have the opportunity to serve them. She mentioned some changes that occurred throughout the year at the credit union including a new ATM machine at the Cancer Center, travel cards, debit cards with chips, and financial training...
classes. Members were encouraged to complete the Member Satisfaction Survey. Alan asked that the CEO Report be accepted. A motion was made to accept the CEO Report. It was seconded and the motion carried.

Sonja Putnam, Chairman of the Supervisory Committee, presented the Supervisory Committee Report, referring attendees to her written report on page 13 of the Annual Report. This committee of 3 members represents the membership of the Credit Union and maintains a primary interest in insuring that all members are treated fairly. She informed the membership that the Supervisory Committee with the WV League Services Corporation fulfill the annual audit requirements of the NCUA. The audit determined that all records accurately reflect the daily operations of the Credit Union and the proper policies and procedures are being followed. A motion was made and seconded to accept the Supervisory Committee Report. Call for vote … motion carried.

A motion from the floor was made to accept the nominees by process of acclamation. It was seconded. Call for vote…motion carried. Alan Shearer asked if any old business needed to be discussed. No questions were asked. He then asked for any new business. Again, no questions were asked.

There being no further business at the Thirty - Ninth Annual Membership Meeting of the CAMC Federal Credit Union, a motion was made and seconded that the meeting be adjourned. The motion carried and the meeting concluded at 7:15 p.m.

Immediately following the business meeting, Credit Union employees conducted a drawing of door prizes. Two parking spaces were given away for each hospital campus and one $100 cash prize was substituted for offsite locations. Other cash prizes ranged in amounts from $25.00 to $100.00.

The membership was then invited to enjoy refreshments and fellowship.
CHAIRMAN'S REPORT

On behalf of the Credit Union Board of Directors, staff and committee members, I welcome you to our 2017 Annual Membership Meeting.

In addition to the brief overview that will be presented tonight, the information provided in our annual report will give you a detailed look into our 2016 operations.

As you will observe, 2016 continued our positive trend of successful outcomes. We maintained our strong financial position, while continuing to offer competitive interest rates and a strong commitment of service to our members. We experienced continued growth in assets and continue to make enhancements to the products and services we provide. Our Credit Union has experienced record growth in mortgage loans over the past two years, and we hope that you will help us to continue to grow in this area during 2017. In addition, during our periodic Federal Examination, we continued to receive the highest accolades and continue to be a model Credit Union. This is something we can all be very proud of.

The staff and leadership of the Credit Union continually provide the utmost level of service to all of their members. This is evident in our continued growth and very minimal losses to the Credit Union. The Credit Union leadership has done a tremendous job continuing to grow the Credit Union in a financial market that is seeing major challenges.

I would also like to personally thank the members of the Board of Directors and the Supervisory Committee for their hard work and dedication. And finally, would like to acknowledge you, the members, for your continued support of the Credit Union. Without your loyalty and dedication, the Credit Union could not exist.

Enjoy the evening!!

Lisa Gerencir
Chairman, Board of Directors
CAMC Federal Credit Union
TREASURER'S REPORT

Highlighted below is a summary of our Credit Union’s key financial performance over the past five years. I’m pleased to report that the Credit Union’s financial performance during this period has remained strong. More specifically, our key ratios measuring management of the Credit Union’s assets and liabilities show that asset quality is high (i.e., charge-off and delinquency ratios are low) and the Credit Union has sufficient reserves to absorb the impact of unexpected events in uncertain times. Outstanding job to our CU staff!

As for the Credit Union’s financial position at December 31, 2016, average assets totaled $63.0 million compared to $62.6 million in 2015. Thus, we continue our trend of consistent, controlled growth in a very competitive market for core deposit relationships. While demand for quality loans continues to be a challenge, our Credit Union successfully increased average loans outstanding by over $2.3 million during the past year. If you haven’t taken advantage of a loan through your Credit Union, I encourage you to contact our staff today to learn more about how they would welcome an opportunity to earn your business.

In a final note, this success would not have been possible without you… our members, who utilize our loan and deposit services… and the efforts of our Credit Union staff! We appreciate your support and on behalf of all the management, staff, and officials, I thank you for making a difference in helping our Credit Union remain strong. Our Statement of Financial Condition as of December 31, 2016 and Statement of Income and Expenses for the year ended December 31, 2016 are presented after this report. Should you have any questions, please do not hesitate to ask.

CEO'S REPORT

On behalf of all your CAMC Federal Credit Union staff and myself, we thank you for the opportunity to be your financial partner. Your deposits are our foundation and your loans are our lifeline as we strive to build relationships which create value for every member, every day.

As we begin 2017, what an exciting and challenging year we have just experienced….. continued low interest rates, improving unemployment rates, increasing house prices and significant changes within the financial services regulatory and operating environment are just a few examples. While our Credit Union has not been immune to these challenges, we have continued to prosper as highlighted in our Treasurer’s Report. Member support and contributions have been vital to our success – in fact, your support has driven our mortgage loan portfolio to record levels in both 2015 and 2016! Whether it is taking advantage of our competitive loan and deposit rates or just being ambassadors of the Credit Union to family and co-workers, member involvement is critical for us to achieve our goals.

The commitment of our Credit Union staff also plays an important role in our mission to build relationships which create value to every member, every day. Convenient, quality service at a competitive price is not only something you deserve, but it is something that you should expect. I believe this is what drives each Credit Union employee to provide the best possible service to you at all times. Thank You Staff…for none of our accomplishments could be possible without your hard work and dedication! I would also like to thank our Board of Directors and Supervisory Committee for the support and proactive leadership they provide in making the Credit Union the success it is today.

Thank you again for serving as Credit Union ambassadors. Your business is greatly appreciated. It is this cooperative spirit that will enable your Credit Union to continue meeting its challenges with great success. Please review our Annual Report booklet for further details about your Credit Union’s products, services and operations. If you have any questions or comments, please don’t hesitate to let us know.

Together, We Make a Difference!

Sincerely,

Ashley Morris
Chief Executive Officer
CAMC Federal Credit Union
SUPERVISORY COMMITTEE REPORT

The Supervisory Committee of CAMC Federal Credit Union consists of three members appointed by the Board of Directors. The term of each committee member is for one year expiring at the first regular meeting of the board following each annual meeting or until the appointment and qualification of successors. Its function and responsibilities are set forth in the rules governing Federal Credit Unions and is responsible to the members to protect their interests. Accordingly, the primary objectives and responsibilities of the Supervisory Committee are:

1) To verify that the Credit Union’s management practices and procedures are sufficient to safeguard members’ assets against material error, carelessness, conflict of interest and fraud.

2) To confirm that the internal controls are established and effectively maintained to achieve the Credit Union’s operating and financial reporting objectives.

3) To validate the financial condition of the Credit Union by ensuring the accounting records are promptly recorded, financial reports are timely prepared and results of operations are accurately reflected in the financial statements.

To accomplish these objectives, an independent firm specializing in credit union examinations, West Virginia League Services Corporation, was engaged to perform an annual comprehensive examination of the Credit Union’s operations as required by NCUA regulations. The Supervisory Committee also periodically performs a verification of member account balances as required by law, corresponds with members whose memberships have been closed, and conducts other periodic procedures as deemed necessary throughout the year. The results of these examinations are presented to the Board of Directors to document the accounting records and reports are being effectively maintained within the Credit Union and practices are being administered in accordance with existing rules and regulations.

In addition to the independent annual examination and procedures highlighted above, your Credit Union is periodically examined by Federal Examiners from the National Credit Union Administration (NCUA). The NCUA examination is risk-focused covering the examiner’s analysis of the major areas determined to be the greatest risk to the Credit Union’s operations. The most recent examination of CAMC Federal Credit Union by the NCUA found that the overall condition of the Credit Union was operating in a safe and sound manner as of the examination date.

The members of the Supervisory Committee sincerely appreciate the support and assistance provided by the Board of Directors, and the Credit Union management and staff throughout the year.

Respectfully Submitted,

Ms. Sonja Putnam, Chair
Mr. Lee Starks
Ms. Lori Goff
